

Anderson's Wear-Easy Shoe.....

is a shoe made especially for farm use and that will wear "as easy as an old shoe" right from the start. A shoe in which there is not a peg or nail or thread to touch the bottom of the foot. A shoe that is almost as soft and flexible as a lady's hand turned. A shoe with a pure white oak innersole that is cooling to the bottom of the foot; all other every day shoes are made with cheap acid tanned red leather innersoles that burn, scald and blister the feet so badly in hot weather. A shoe that will give more comfort for general farm use than any shoe that has ever been gotten up.

We keep this shoe in Buckle and Congress & the price is **\$1.50**
Sizes 6 to 13.

Is the Democratic Nomination for Governor.

The Stone-Goebel Combine Organized the Convention.

David R. Redwine Their Choice For Temporary Chairman.

SPECIAL TO THE KENTUCKIAN.

Louisville, Ky., June 22.—Convention Hall.—It was close to high noon, and the mercury stood almost to boiling point, when the great convention called to nominate candidates for State offices, and to make a platform for them to stand and win upon, was called to order by Chairman Johnston.

Rarely if ever before, has a Democratic convention in Kentucky been attended with questions of all absorbing interest as surround this one.

With victory in the air—and a once more united party to the fore—the ticket nominated will receive an old time Democratic majority.

The first thing in order was the selection of a temporary chairman, the vote for which is given below.

Temporary Chairman.

For Redwine (Stone-Goebel). 551 1-6
For Sweeney (Hardin). 529 5-6
Necessary to choice (11 votes not counted). 541

After eight hours of the most intense excitement, due chiefly to the closeness of the situation, the combined forces of Capt. W. J. Stone and Senator William Goebel effected a temporary organization of the Democratic State Convention by electing a chairman in the person of Judge David B. Redwine, of Breathitt county. His opponent the representative of the Hardin side, was Capt. W. H. Sweeney, of Washington county.

After prayer by Rev. H. R. Coleman, of Louisville, the chairman called for nominations for temporary chairman, and amid a storm of applause Ollie James, of the First district, presented the name of Judge David B. Redwine, of Breathitt county. He said:

"I rise for the purpose of placing in nomination as temporary chairman of this convention a Democrat who fears not the encroachments of incorporated wealth of the country. I came forward to present to you the name of a Democrat who has fought a thousand battles for his party and never yet fought one battle against it. I come to present the name of David B. Redwine, of the Tenth congressional district, and the First congressional district and the districts in Western Kentucky propose to join hands with the mountains and put in the gallant Democrat who has often wielded the sword for the indignant Democracy."

Mr. Urey Woodson, of the Second district, seconded in a few appropriate words the nomination of the mountain Democrat for the position.

Secretary Stone then called for the nominations from the other congressional districts, and quiet was maintained until the Eleventh district was called. James Garnett, Jr., of Adair county, arose at this point and placed before the convention the name of Capt. W. H. Sweeney, of Marion county. The Hardin followers applauded but weakly, and fearing that some of the delegates favorable to his favorite might not understand, Mr. John B. Thompson, of Mercer county, came to the footlights and told them that Mr. Sweeney would stick by them if elected. In nominating Sweeney Mr. Garnett said:

"Coming from the Bloody Eleventh where Democrats are known by the fights they have made in the face of the great adverse majority, I desire to place before this convention for temporary chairman a man who has come into the Eleventh, who has lived in the Fourth, who has traveled over the Third and who has been every district in the State to help fight their battles. I

desire to name a Democrat, and one of the best Democrats in this Commonwealth, a man who, if you elect chairman of this convention, will preside fairly and impartially, but at the same time with firmness. I desire to present to this convention the name of the Hon. W. H. Sweeney, of Marion county."

Chairman Johnston ordered a call of the counties, but many Hardin delegates, late getting into the hall, protested against it until they could be seated. Maj. Johnston again ordered the call peremptorily, and it was begun, with nearly every Hardin delegate on his feet shouting vociferously for Sweeney. It was not long after 11 o'clock when the balloting began, the convention in this respect breaking the record of promptness, and the ballot had not proceeded far before it became evident that all records were also to be broken in the length of time consumed in taking it.

And Then the Fun Commenced.

On a call of the contested counties that had been passed during the roll-call the "rough-house" time of the convention began. There was but little discussion over the contest in Ballard, the eight votes being given to Capt. Sweeney, as they were in the settlement of the Callaway county contest. In Bullitt Redwine got four and Sweeney two votes, and in Caldwell the eight votes were divided between them. It looked for some time as if the one vote of Jackson county was to go uncast, but finally a lone delegate strayed in and cast it for Sweeney.

In the county of Daviess the nineteen votes were given to Redwine, the regular credentials being recognized. This was the first thing to come the way of the anti-Hardin men in the settlement of the contests, and they loudly applauded the action of the chair.

Combine Ahead in First District.

The First district meeting was brief and harmonious. The delegates met promptly at 9 o'clock and the gathering was called to order by Chairman J. D. Moquet, of McCracken county. Ward Headley, of Caldwell, was elected chairman of the meeting, and Clem Nunn, of Hopkins, secretary. Mott Ayres, of Fulton; was elected State Executive Committeeman, and Clem J. Whittemore, of Graves, State Central Committeeman.

George W. Landram, of Livingston, was named for the Committee on Resolutions; R. J. Bugg, of Carlisle, for the Committee on Credentials; and John L. Smith, of Lyon, for the Committee on Organization. J. B. Garnett, of Trigg; R. L. Shemwell, of Marshall; and John F. Cocke, of Ballard, were elected Vice Presidents.

Goebel-Stone Get Second and Hardin Men Bolt.

In the Second congressional district convention the Hardin men bolted and had a convention of their own, although both sides started out together, when, at 9:15 o'clock, Chas. M. Meacham, of Hopkinsville, the Executive Committeeman, called the assemblage to order. His call for nominations for the various posts to be filled started the trouble. John A. Bell, of Union county, was nominated for the district's representative on the Committee on Resolutions. The name of Roy Salmon, of Hopkins county, was

then presented. Instantly Stuart Starling raised the point that L. P. Tanner, Owensboro, who had made this nomination, was not a delegate, had no credentials, and was not entitled to take part in the meeting.

Mr. Tanner, saying he wanted fair play, called upon the Hardin men to assemble a short distance away, and proceeded to hold a bolting convention. In the meantime the regular convention proceeded with its business and chose the following committeemen, who favored the Goebel-Stone combination: Resolutions—John A. Bell, Union county.

Organization—John L. Dorsey, Henderson county.

Credentials—R. D. Higdon, McLean county.

State Executive Committee—C. M. Meacham, Christian county.

State Central Committee—J. T. Griffith, Daviess county.

Vice President—D. D. Rayborn, Webster county.

Secretary—Charles F. Hart, Union county.

The rival convention, after electing I. H. Robinson, of Daviess county, chairman adopted this slate:

Resolutions—Roy Salmon, Hopkins county.

DEMOCRATIC TICKET.

For Railroad Commissioner,
J. FLETCHER DEMPSEY,
of Hopkins County.

The loss to the Suwanee Spoke and Lumber Company's plant at Kuttawa, will exceed \$10,000.

The officials of the Illinois Central say that their road will be extended to Omaha by January 1, 1900.

Yellow fever has broken out at Santiago, and three American soldiers have died of the disease.

This seems to be almost a trust administration, but somehow the people won't trust the administration.

The first clash in the coal mine strike at Evansville occurred Tuesday and as a result three miners were fatally shot and several others are wounded.

Otis' reports of battles fought and victories won reads very much like rehearsed Spanish accounts of the victories over the Cubans two years ago. But the fighting still goes on.

To a man up the tree it looks like Uncle Sam has bit off more than he can "chaw" in the Philippines unless some one besides Otis is sent over to take charge of the mastication business.

Never were so many rotten things brought to light after a war as are being almost daily revealed by investigating committees. Does real patriotism exist only in the hearts of the men in the trenches?

This is certainly an age of trusts. Everything is running so strongly in that direction that the expression, "free as air," will soon play out. Liquefied air may soon come into such general use that a trust may be formed on that too.

Jno. H. Marshall, Sr., committed suicide in McMullin's hotel, Henderson, Tuesday. He left a note saying his son's ingratitude was the cause. He was 70 years old and one of the most prominent citizens of the place.

We have heard this expression many times during the week that a "dark horse" had to be brought in in order to harmonize the Democratic party in Kentucky that Hon. John Young Brown would be the man placed in nomination for Governor. It is generally known that ex-Gov. Brown has stated repeatedly that he did not want the office, but the nomination tendered him under such circumstances would be hard to refuse.

Gov. Bradley, it is announced, has decided to send no more soldiers to Clay county at present. His plan is to give Circuit Judge Eversole an opportunity to hold a special term of court, and if there is no improvement in the condition of affairs to call an extra session of the State Legislature. The Legislature would be asked to pass laws conferring authority on the Governor to appoint a Grand Jury with power to summon a grand jury from distant counties.

Multimillionaire Rockefeller may stay in Alaska as long as he pleases and still the shekels will continue to roll into his pocket at the rate of twenty dollars a minute, day and night, the year around. The best thing this country can do is to place a limit on a man's acquisition of money. What is a few millions given to a Chicago university occasionally, when all the oiling has to do to advance the price of oil half a cent a gallon to raise a million or so to the trusts of the university? Who gives it to the university, the people of the land or the king of trusts? It requires no Solomon to answer this.

A HIGH HONOR.

Conferred Upon Dr. R. Harry Wilson, Formerly of Hopkinsville.

Dr. R. Harry Wilson, formerly of this city, was elected to fill the chair of Romance Languages in the University of Virginia, at a salary of \$3,500, at a meeting of the Board of Trustees, held several days ago. The election was very complimentary, as the vote was almost unanimous, and many eminent scholars were applicants for the position. Dr. Wilson is a son of R. H. Wilson, of Pembroke, and a brother of Guy Wilson, of this city. Dr. Wilson received his education in the schools of this city, graduating as valedictorian with degree of B. A. from South Kentucky College eight years ago. Later he went to Europe to continue his studies, making a specialty of the modern languages. During the several years he was abroad he lived successively in France, Germany, Italy, Spain and Switzerland. He was married in Paris to a cultured French lady. Two years ago Dr. Wilson returned to America to accept a position as lecturer on the romance languages at Johns Hopkins. His services there, his magazine articles and general work in the interest of higher education have won for him an enviable place in the educational world. He secured his doctor's degree at Johns Hopkins a year ago, and his thesis was pronounced one of the best ever submitted to the faculty of the institution.

WHEAT HARVEST.

Christian County Farmers Pleased With the Yield.

From interviews with many of the leading farmers of Christian county, it is learned that about a netty per cent of the wheat crop in this section has been harvested and bids fair to yield well. Threshing began several days ago, and the farmers are exceedingly busy just now.

Might Have Been Worse.

There came near being a disastrous explosion at the Pembroke Roller Mills, in this city, Saturday morning; it seem that some part of the machinery in the engine room went wrong, and a large fly-wheel was thrown off. Fragments of the wheel were blown through the roof in two or three different places. The foundation of the shafting was also somewhat shaken up. A little son of Mr. Bumpus was in the engine room at the time, and not realizing the danger he was in tried to shut off the steam. Mr. Bumpus himself was nearby, and noticing the unusual rapidity with which the mill was running ran into the engine room and shut off the steam. Fortunately no one was hurt, and the damage to the mill slight, as compared to what it might have been had it not been stopped when it was.—Pembroke Journal.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Hall's Catarrh Cure is the best.

PLEASANT

Will Be The Endeavor Trip to Detroit—Expenses Low.

Local interest among all people, as well as Endeavorers centers in the convention to be held next month in Detroit and the many attractions of the trip to that meeting.

As the convention will be larger than any of the preceding ones, it will bring together more prominent men to take part on the program, many will go for the opportunity of hearing these men repute.

And then Detroit itself, second to no city in the country, will serve to induce many to go.

The wonderful region of lakes and rivers of which Detroit is the natural center, will also cause many to make plans for going there instead of to the seashore or mountains. To these points of interest, exceedingly low round trip rates from Detroit have been named, making expenses scarcely an item to those wishing to visit these cool summer resorts. A few of these rates are given below.

The Kentucky party will leave Louisville on special train at 8 o'clock, on the morning of July 4th. This train being independent of all connections will make the run to Detroit by 7:50, passing in succession the cities of Indianapolis, Dayton and Toledo. As the convention begins on the 5th lasting till the 10th, this will allow a rest-up before the meeting.

Those going on this special will go to Louisville on the 3rd of July. A very low rate has been secured for them at 5th Ave. Hotel, which will make expenses less and the trip more pleasant than if part of the run were made by night and hot sleepers used, besides giving a day light ride all the way. At Detroit everything will be arranged with a view to economy and convenience, all the worry of arrangement being borne by the State Committee of Transportation.

The expenses of the trip will be extremely low. The fare from all points will be one fare for the round trip. That will be \$15.33 from Hopkinsville to Detroit and return. The stopover in Louisville will cost from \$1.00 to \$1.50. Board in Detroit will cost from \$1.00 to \$2.00 per day. The entire expense need not exceed \$25.00 or \$30.00.

A rate of \$6.90 from Detroit to Niagara and return has already been named, and it is said that even a lower rate than that will be made. This is over the railroads through Southern Canada, affording the novelty of getting outside of Uncle Sam's domain.

The following are the rates named for the round trip to some of the lake points, the amounts not including meals and berth aboard steamer.

Detroit to Cleveland and return	\$2.
" Buffalo "	4.00
" Mackinac "	4.00
" Port Huron "	1.00
" Chicago "	8.50
" Sand Beach "	2.00
" Oscoda "	2.50
" Alpena "	3.00

Any one desiring to go, should apply at once to the local Transportation Manager, ALLAN D. WALLIS, who will give any information wanted.

Leg Broken.

Lafayette, Ky., June 21.—Last night Jasper Fuqua, age about 16, son of Esq. A. J. Fuqua, and some other boys were returning home from Roaring Springs. They got to running their horses and broke his (Jasper's) leg with him and the knee. Dr. J. F. Stone reduced the fracture and he is getting along very well at present. Though the Dr. says it is a very bad break, the larger bone being crushed.

The prospect for a tobacco crop in this section is not good, many have not finished planting and very few have a good stand, on that planted.

Death of a Child.

Robert, the little son of Mr. Wm. F. Fowler, died at the home of its parents in this city Monday, after a brief illness. Mr. and Mrs. Fowler have the sympathy of a large circle of friends in their bereavement.

Mrs. Max and her two daughters, Clara and Mattie, left Tuesday for an extended visit to friends in the upper part of the state.

DEAD INFANT FOUND.

Coroner's Inquest Throws no Light on The Matter.

The body of a child, wrapped in the skirt of a dress, was found by Willie Payne and Arthur Coleman colored boys, as they were passing along the I. C. railroad, near the farm of W. S. Bowles, Tuesday evening. Reporting the matter to coroner Allenworth, the body was cared for, and an inquest held over a Wednesday morning. When a verdict was returned to the effect "that body of an unknown well-developed female infant, color not known, had been found, wrapped in an old skirt." It is hoped that some light may be thrown upon the mystery enveloping the child by means of the dress in which it was wrapped. There were no marks of violence on the body.

There Are Others.

There are other chill tonics than "Dr. Mendenhall's Chill and Fever Cure," but if you purchase a bottle of this remedy and are not convinced that it is the best chill tonic you have ever used your money will be refunded by R. C. Hardwick, druggist. Price 50 cents.

Miss Albertine Wallis, who has been in delicate health for several weeks, will leave for Colorado Springs next Monday to spend the balance of the summer with her sister, Mrs. W. D. Marlowe.

If the disposition to worms in children is not cured they may become emaciated, weakly and in danger of convulsions. WHITE'S CREAM VERMIFUGE is the most successful and popular remedy. Price 25 cts. Sold by R. C. Hardwick.

The Best Law School.

We call especial attention to the advertisements in another column of the celebrated Lebanon Law School. This is perhaps the oldest law school in the south, and certainly the most famous. Its graduates have filled the highest offices in the country. They have been and are United States Senators, and Congressmen by the score, Judges of the United States Supreme Court and other Federal Courts, and are on the supreme benches of Tennessee, Alabama, Florida and elsewhere, to say nothing of the many Judges of inferior courts. A diploma from this old law school is a passport to any point in the profession.

A swollen, pained skin is a symptom of disordered liver, as it sprouts from bilious poisons retained in the blood, which destroys energy, cheerfulness, strength, vigor, happiness and life. HERBINE will restore the natural functions of the liver. Price 50 cts. Sold by R. C. Hardwick.

Louisville, Ky., June 22.—The third session of the Democratic State convention was called to order at 10:05 o'clock this morning. The call of counties was begun shortly afterwards for nominations for permanent chairman.

The day was devoted to committee work and speech making.

Louisville, Ky., June 22.—Chairman Redwine shortly before noon today announced the following members for the State at large:

RESOLUTIONS.
Ollie M. James, Crittenden.
W. T. Ellis, Davis.
CREDENTIALS.
Charles H. Bush, Christian.

Louisville, Ky., June 22.—The latest information received was that no nomination would probably be made before Friday.

FREIGHT WRECK.

Conductor Ray Injured in an L. & N. Smash Up.

The second section of Louisville and Nashville freight train No. 57 ran into the first section at Dulin Hollow, north of here, Tuesday morning, wrecking the catoose and derailing six cars. Conductor Ray was injured about the head, but he is not thought to be seriously hurt.

Held To Answer.

Paduach, Ky., June 20.—Charles Coleman, a well-known man of Cerulean Springs, was tried here this morning before the United States authorities on a charge of selling liquors without a license at Cerulean and was held to answer.

Kentuckian Drowned.

Sunday near Hill's Island, on the Cumberland river, a man named Loveman, of Frankfort, Ky., was drowned. He was pushed from a

STABBED AND BEATEN.

Conductor Cole Assaulted While Switching Cars at Guthrie.

While engaged in switching a lot of cars in the yard at Guthrie, about two o'clock Tuesday morning, Capt. D. A. Cole, a Louisville & Nashville freight conductor, was attacked by four tramps, who stabbed him in the back, inflicting serious wounds. He was also badly beaten up. Robbery is believed to have been the object, as Capt. Cole, along with the other employees of the road, had been paid off Monday. Officers believe they are on the track of his assailants.

WHEAT SHORTAGE.

Reported In The Greater Part of Europe.

The Time's London financial correspondent cables: "We are threatened with an agricultural disaster that many, among other evils, inflict upon us a woefully short grain crop. June, usually rather wet, is this year, so far, rainless and crops are already half ruined in many parts of the country. The same conditions prevail over the greater part of Europe and in South Russia the wheat crop is said to be lost; so if our farmers are favored by the weather, they have again a splendid prospect before them, even with India competing."

Soldier Boys Meet.

Mr. Gano Bullard had a number of friends to meet with him Tuesday night at the home of his brother, Mr. J. R. Bullard, on South Virginia street. It was principally a gathering of soldier boys who were with Mr. Bullard in the Third Kentucky, and the evening was enjoyably spent in relating incidents and hair-breadth escapes while in the service of Uncle Sam. At a late hour refreshments were served.

Union Services.

The regular union church services will be held at the Ninth Street Presbyterian church, on next Sunday evening. Dr. Harrison, of the Vanderbilt Training School, at Elkton, who will be here filling Dr. W. K. Piner's appointment at the Methodist church, will deliver the sermon-services beginning at eight o'clock.

Will Bramham Improving.

Latest reports from William Bramham, who was so badly scalded in the late railroad wreck at Guthrie, are of a more favorable nature, and the indications are that he will get all right in time. His parents and brothers, who have been with him much of the time, are most sanguine as to his recovery.

First New Wheat.

The first new wheat that was received by the Acme Mills, of this city, was raised and delivered by E. C. Cayce, of South Christian. It was a fine grade of grain, and weighed 61 pounds to the bushel.

Negro Carpenter Hurt.

Will Edmond, a negro carpenter in the employ of J. H. Wade in the construction of an elevator at Pembroke, fell from a scaffold Monday and sustained serious injuries. A sprained arm and cut on the head are the most serious. At last accounts he was resting easy.

IN CIRCUIT COURT.

But Few Cases of Interest Being Tried.

Circuit Judge Cook has been absent in Louisville since Wednesday morning, in attendance upon the great convention, being a delegate from Calloway to the same. Ex-Circuit Judge James Breathitt has been on the bench, presiding as special judge, during the absence of Judge Cook.

Wednesday morning the papers in the case against Walter Washington, Turner Tucker and Will Davenport, who were charged with breaking into a store house, were filed away, and the alleged culprits were put on probation. They are all three children, and if their future conduct is good the case will not be reinstated.

When the case of the Commonwealth against Jordan Baker, charged with carrying a concealed deadly weapon, came up for trial it was found that there was a defect in the indictment. The case will be resubmitted to the grand jury at the next term of court. Baker was held under a bond of \$100.

John Russell as Judge.

During the absence of Judge Leavell, who is in attendance upon the convention, John Russell, one of the brightest young members of the Hopkinsville bar, has been presiding as special judge over the City Court. The first case he tried was that of some vagrants, whom he gave one hour in which to leave town.

If your sight is blurred with specks and spots floating before your eyes, or you have pains on the right side under the ribs, then your liver is deranged, and you need a few doses of HERBINE to regulate it. Price 50 cts. Sold by R. C. Hardwick.

Smallpox in Kentucky.

Dr. J. N. McCormack, Secretary of the State board of health, said yesterday that the smallpox situation in Kentucky had improved to the extent that all restrictions had been removed from the railroad companies of the State, and they are again at liberty to resume their excursion business, except in Ohio county. The situation in that county is much better and under control in all other parts of the State. Dr. McCormack has notified the railroad officials of this decision of the State board of health.

Dr. Blakey's New House.

Dr. T. W. Blakey has closed the contract with Forbes & Brother for the erection of a handsome residence on the beautiful lot on South Main street that he lately purchased from Dr. Wallace. The house will be two and a half stories high, with all modern improvements, and will be brick, finished with ornamental stone. The cost will be about \$7,000.

Strayed.

Saturday night, from my stable, 5 miles from Hopkinsville, one brown mare, 14½ hands high, small scar on right shoulder. Also 3-year-old black horse mule, 15 hands high. Reward. B. H. WEST.

Pleasantly Entertained.

Mrs. M. H. Nelson entertained a few of her friends last evening in honor of her visitor, Mrs. Grant Green, of Louisville. Dainty refreshments were served and the evening was most pleasantly spent.

FACTS AND FIGURES.

Miss Katie McDaniel's Report For 1899-1900.

Miss Katie McDaniel, Superintendent of Christian County Schools, has completed her summary of the reports made by the district enumerators of the city and county for the 1899-1900 school year.

The census shows a small falling off from last year in county. This is due to the fact that many families have moved to town, as shown by a considerable increase in the city.

Christian county, not including the city of Hopkinsville, has the following number of children between the ages of 6 and 20:

White males, 2697; females, 2506; total 5203. Colored males, 2202; females, 2301; total, 4503. Whole number in county, male, 4899; female, 4807; total, 9706. This is 10 less than were reported last year in the county outside of Hopkinsville. The city report is as follows: White males, 512; females, 556; total, 1068; colored males, 435; females, 589; total, 1024. Whole number in the city, males, 947; females, 1145; total, 2092. This is 98 more than were enrolled last year.

The whole number of pupils in the city and county is: male, 5846; female, 5952; total, 11798. This is 88 more than last year.

Of the 91 white districts in the county, 17 are first-class, 33 are second-class, and 41 are third-class. Of the 54 colored school districts, 29 are first-class, 14 second-class, and 11 third-class.

In an Ugly Scrape.

The Paducah Sun says: Charles Hamilton, a well-known resident of Cerulean Springs, was tried before Commissioner Puryear on a charge of selling liquor without a license. He is a blacksmith and the evidence against him is so strong that he is thought to be in a pretty bad box. He was held to answer in the sum of \$800, and it is thought will give bond.

Crap Shooter's Cost.

James Hamilton, Wyatt Coleman and Henry Adams were arrested Monday night while engaged in a game of craps. They were fined \$20 each in the city court next morning. Adams paid his fine.

W. B. Tucker Ends His Life at Paducah.

Suicide Results from Continued

Bad Health—Remains Brought Here.

W. B. Tucker, a well-known citizen of this county, committed suicide at Paducah, Wednesday night, by shooting himself through the head with a pistol. Mr. Tucker was about 50 years of age, and went to Paducah to live several years ago. He had been in bad health for some time, having an asthma trouble that made him very despondent at times, and on several occasions in the past he has been known to threaten to end his sufferings by destroying himself. It is the opinion of his nearest friends that bad health was the cause of the rash act, which was committed while his mind was temporarily unbalanced. He had been spending some time here at Mrs. Jno. Hill's, and only returned to Paducah two weeks since. He leaves a wife and an adopted daughter, Mrs. Matt Wilkerson. His remains were brought to this city last night.
